DAN'S LEGACY 5TH ANNUAL

CHEFS' CHARITY DINNER

NOVEMBER 6, 2018
BEACH GROVE GOLF CLUB
TSAWWASSEN

It is my pleasure to invite you to join us for our **5th annual Chefs' Charity Dinner** at the **Beach Grove Golf Club** in Tsawwassen on **Tuesday, November 6th, 2018**. Proceeds from this elegant evening fund our therapy and life-skills programs for at-risk youth battling trauma-based mental health and addictions issues.

This year we place the focus on Delta, thanking our many supporters and highlighting our work in the community. We expect strong support from government officials, first responders, community leaders and service clubs, and look forward to welcoming you!

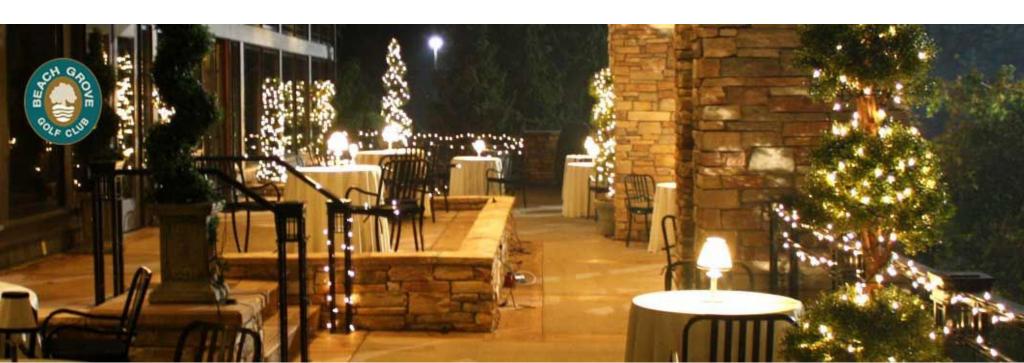

The Chefs' Charity Dinner is our signature fundraising event and features the culinary masterpieces of a select group of Metro Vancouver's top Chefs, each of whom prepares one course on the menu.

New for 2018 - the Chefs will only use locally sourced surplus food, putting their creativity to the test!

Your ticket purchase or sponsorship has a measurable impact in your community as the funds we raise will help us help more youth in Delta.

We look forward to seeing you at the 2018 Chefs' Charity Dinner on November 6th and celebrating your support.

DEADLINE AUGUST 17, 2018

The **Dan's Legacy Foundation** was founded memory of a young man, who, after surviving sexual abuse as a teenager, turned to drugs to numb the psychological pain of the traumatic experience. He attended two recovery programs but did not have access to the one-to-one therapy which he desperately needed. Dan's mother will never forget the morning she found her son unresponsive in his room, gone forever from an accidental overdose at the age of 19.

Our clients are youth aged 15 - 25 who struggle with depression, anxiety, eating and sleeping disorders, and addiction issues due to past trauma and abuse. These worthy young people are at significant risk of overdose, self-harm, homelessness and suicide.

We offer a 16-week, one-on-one counselling program using Cognitive Behavioral Therapy, mindfulness, diet and exercise which has a 50% success rate in helping our clients acquire the skills they need to stabilize and meet their immediate goals. Our programs are delivered individually to private clients, as well as in partnership with other community-based organizations providing wrap-around services to at-risk youth.

Harm prevention is the main emphasis of Dan's Legacy. Our purpose is to help our clients discover the insight and empowerment to succeed in their education, housing and recovery goals, avoid life-long mental health issues, homelessness and the prospect of entrenched addiction.

In the past three years, we have helped over 150 youth overcome their challenges to lead productive and fulfilling lives.
